

Scope of this Privacy Policy

2EyesVision provides this Privacy Policy to explain how we process personal data when the user (User) access or otherwise use the App. 2EyesVision determines the purpose and means of the processing of personal data relating to the Users of the App and therefore acts as a data controller.

This Privacy Statement does not apply where patient data is provided through the App. These include both name and general information of the patient as well as ocular parameters of interest for the use of SimVis Gekko device. 2EyesVision processes patient personal data as a service provider and therefore acts as a data processor. The processing of patient personal data by 2EyesVision shall be governed by the Terms and Conditions of Sales of SimVis Gekko entered by 2EyesVision and the Customer.

Who is the data controller

2EyesVision acts as data controller with regards to the processing of personal data relating to the Users of the App.

Identity: 2 Eyes Vision S.L. ("2EyesVision")

Tax No.: [ESB87335907]

Address: [Pl. de la Encina, 10, núcleo 3, planta 4ª, 28760 Tres Cantos, Madrid/Spain]

Email: [dataprotection@2eyesvision.com]

Which data is being collected?

Users Data

In order to be able to login to a SimVis Gekko device, we need Customers to provide the Clinic's name, and email that will be used as username and the Clinic's Address and VAT number

App Login

Once logged In, we keep the session open during some time if the User doesn't log out. Moreover, we keep the field username fulfilled (without password) for next time, so that it is easier for the user.

What are the purposes of the processing

2EyesVision will process the personal data relating to the Users to the extent necessary for the execution of the services provide through the App or for compliance with legal obligations to which 2EyesVision is subject.

The legal basis for the processing of personal data is the execution of the services and compliance with legal obligations, as set out in art. 6 b) and c) of Regulation (EU) No. 2016/679, of 27 April 2016 ("GDPR").

Disclosure of Information

The User's data will not be transferred to third parties, except in those cases in which the transfer is strictly necessary to comply with legal obligations (relevant tax and social security authorities, auditors, etc).

Security

We use reasonable administrative, logical, physical and managerial measures to safeguard Users' personal information against loss, theft and unauthorized access, use and modification. These measures are designed to provide a level of security appropriate to the risks of processing their personal information.

How long do we keep your data

The personal data shall be stored by 2EyesVision for as long as the contractual relationship established with the Customer is in force, and thereafter, such data shall be duly blocked, until the expiry of the statute of limitation of any available legal actions.

Your rights

The data subjects may exercise their rights under GDPR (rights to access, rectification, erasure, object, restriction of processing and to data portability) when appropriate, by sending their request to the following email address dataprotection@2eyesvision.com. In addition, data subjects have the right to lodge a complaint with the Spanish Data Protection Agency (www.aepd.es) or any other relevant supervisory authority.

Where is your data?

User's data are stored in our database, in a Digital Ocean server located in the European Union.
